

ITGRA Board Meeting
Zoom
January 6, 2022

Meeting called to order at 9:30

Present: Mike Cunningham, Al Puches, Becky Petro, Rick Dewitt, Craig Weber, Steve Baines, Kathy Miville, Pete Nichols, Kent Stivers and Jeff Glans

Discussion of possible uses for Ridgefield Thrift Store grant

- Route 7 stairs – not much money needed
- Parking lot on Long Ridge Rd – can't really expand
- Terre Haute wet spot
 - Mostly labor required
 - Kathy did improve the drainage
- Bramson Fence
 - Mostly labor not money
 - Hire labor – run into workers compensation problems
- Hazard tree removal – not really an issue
- Kiosks – already have one without a home
- Sign for church parking lot
- Brochures
- Fix up tractor, repair or replace mowing deck

Final decision, ask for:

- Kiosks and signage - \$200
- Tractor repair/upgrade - \$2500
- Brochures - \$600
- Stair repair - \$1000
- Maasdam rope puller - \$100

Pete will submit the application

Kiosk on Sidecut Road

- Awaiting permission, but it looks promising
- Can use kiosk already built by Rick

West COG site finally points to Ivestrail.org

Replacement for Jack

- Shanyn has declined the honor
- Mike will ask Jonas if he's interested
- Nick Wolf might be another possibility
- Would be best to find someone familiar with Danbury politics

We are now listed on CT Trailfinder

Kent/Mike noted that some building debris had been dumped at the Rt 7 parking area

Kent suggested that we add the water crossing just up hill from the Rt 7 parking area to our work list

- Will need some thought on the best approach

Discussion on expanding our webpage

- Add link to CT Trailfinder listing
- Possibly update the news section with the Wiedel meadow opening
- Everyone should check out the web page and get any ideas to Kent

The Terre Haute mud hole still needs some work, Kent will have another look

Adjourned: 10:29 AM

Next meeting: Thursday February 3rd at 9:30 am by Zoom (Jeff will organize Zoom)
